E. FREQUENTLY ASKED QUESTIONS

Q: Why does Santa Fe only donate up to 25% of food sales? Why not alcoholic beverages?

A: Santa Fe advocates responsible alcohol serving and has tailored this donation event to be food focused. We do have an additional Guest Bartender program featuring a portion of drink sales to your non-profit which can coincide with Dine 25. Ask your Fundraising Coordinator for details!

Q: Will my guests receive a discount when participating in the DINE 25?

A: Guests do not receive a discount. In lieu of a discount, Santa Fe is donating a percentage of each guests food sales to your organization.

Q: Why can I only book an event Sunday – Wednesday?

A: This is to ensure that your guests are better able to participate in the event. An event on the weekend or higher volume nights would result in inflated wait times and less availability for reservations.

Q: Can I include lunch or take-out as part of my Dine 25?

A: Yes, special exceptions can be made at the discretion of your Dine 25 Fundraising Coordinator.

Q: Can I set up a promotional table in the restaurant?

A: We strive to provide a comfortable guest experience in our restaurant for all of our guests. We do not offer table space for promotions in order to preserve the dining experience for guests in our restaurant who may not be affiliated with your organization. We reserve the right to make certain exceptions as needed based on the specific needs of your non-profit.

Q: Can I hand out vouchers in the restaurant?

A: We have a strict No-Solicitation Policy in our restaurants. We do not allow vouchers to be handed out in the restaurant to unaffiliated guests. If one of your guests arrives and forgets their voucher, you should ask the restaurant manager on-duty to provide them with a voucher. Any solicitation on premises or on the surrounding premises of our restaurants will result in termination of your Dine 25 event.

Q: How much time do I need to promote my Dine 25?

A: It is recommended that you start to spread the word and save the date as early as possible. However, we recommend no less than 2 complete weeks for distribution of your coupon to friends, family and supporters in order to give you the best return on your time investment.

Q: How many vouchers should I distribute to have a successful event?

A: You should distribute as many vouchers as you can! The more people who actually get the vouchers to use, the more people who have the potential for showing up. Encourage your supporters to help your promotion to go viral by using social media and email. You may be surprised at how many new faces you might find at the event who are interested in supporting your organization and what a great, low pressure, social way to get to know someone new and invite them to participate in your cause!
